Concerned Regional and Local DRRMCs are advised to take appropriate actions and reminded to disseminate these through local/community leaders and local media. Emphasis should be on proactive actions: evacuation rather than rescue. Moreover, concerned offices are directed to reiterate the guidelines on personal protection and hygiene such as respiratory etiquette and hand hygiene, physical distancing, environmental, and food safety measures. Further, people living in the aforementioned areas are hereby advised to be on alert, take necessary precautions and follow the advise of their respective Local DRRMCs.
